OBJECTIVE

Computer Science and Engineering student with strong interest in Software Development, Java Programming, Database Management Systems, and Web Development. Seeking internship and entry-level opportunities to apply technical knowledge and gain industry experience.

EDUCATION

Bachelor of Engineering (Computer Science and Engineering)
Knowledge Institute of Technology, Salem
2024 – 2028

SKILLS

Programming Languages: Java, C++, JavaScript

Web Technologies: HTML, CSS, Bootstrap 5

Database: MySQL, DBMS Concepts

Tools: VS Code, Eclipse IDE, GitHub, MySQL Workbench

MINI PROJECTS

Parlour Management System

- Developed a web-based Parlour Management System using PHP, MySQL, HTML, and CSS to manage customer appointments, services, billing, and staff records.
- Designed a user-friendly interface and integrated a MySQL database to streamline parlour operations and improve record management.

EXTRA-CURRICULAR ACTIVITIES

- Earned **NPTEL Elite + Gold Certification** in Programming in Java.
- Secured **3rd Prize** in **Query Verse** conducted by Karpagam College of Engineering.

LEADERSHIP

- **Executive Member of the CSE SCINTEL Association**, contributing to the planning and execution of departmental technical activities.
- Coordinated CODE-A-THON and Campus Coders League events, managing participants and ensuring smooth event operations.
- Played a key role in organizing ARIVOLI-2K26 Technical Symposium, demonstrating leadership, teamwork, and event management skills.
